Broken Wharfe forms trans-Atlantic partnership with Solid Ground Christian Books.

Issued by: Broken Wharfe
16 May 2022

Broken Wharfe is pleased to announce a new trans-Atlantic partnership with Solid Ground Christian Books (SGCB) making SGCB the exclusive distributor of Broken Wharfe titles in the US and Canada.

Broken Wharfe has been working hard to establish an effective distribution relationship with SGCB. As we currently stock several SGCB titles for the UK and Europe, it was a natural progression for them to partner with them to make Broken Wharfe titles available in America.

Our aim is to focus on providing a confessional Baptist resource base for the UK and Europe. For several years, many have noted the lack of distinctly confessional Baptist material available in Britain and the continent. We seek to address this need. It is our conviction that we have a spiritual and moral responsibility to encourage the faith and life of those who confess to believe the Scriptures summarised in the Second London Baptist Confession of Faith.

Early on the challenge arose how we might balance keeping our focus on the UK and Europe without neglecting understandable demand from America. SGCB provided the confidence we required to hold this balance. As a dependable distributor of reformed books, we are thrilled to entrust SGCB with the distribution of Broken Wharfe titles in the US and Canada.

We look forward to building an ongoing relationship with SGCB as we seek to promote the faith and life of confessional Baptists across the world.
